

# Production Manager

**Company:** Terabee, High-Tech sensor and sensing solutions company

**Location:** France, Saint Genis-Pouilly, (5km from Geneva airport)

**Contract:** Full-time

**Start Date:** ASAP

**Reporting to:** CTO or Product director or CEO (depending on experience)

## Job Description:

Terabee is a leader in designing and producing People Counting devices, high tech IoT products based on Lidar/time-of-flight technology and thermal imaging. Our mission is to bring intelligence around building use and enable transformation towards green, zero emission buildings.

We seek a motivated and self-driven Production Manager to join our team! You will operate within a highly stimulating and international environment. You'll be a team worker with a creative mind, a sense of initiative, and an entrepreneurial spirit committed to our long-term success.

## Role and Responsibilities:

- Manage and organize the production and draw up a production schedule plan
- Be responsible for products' BOM to support supply chain management
- Set productivity rates, product standards and implement quality control programs
- Liaise with different departments, teams, and companies, e.g. suppliers, managers, clients
- Gather and analyse data, putting together production reports
- Supervise and motivate a team, ensuring relevant training & development needs are addressed
- Manage functional costs within the annual budget
- Enable and develop tools and methodology for quality control
- Initiate make-or-buy analysis for enabling fast growth, with a readiness of outsourcing part of production as necessary (and transform the team into production sourcing experts)
- Follow and support product development with a clear view of production processes
- Keep an eye and initiate process improvement as much as necessary
- Position open to grow into a wider Operation scope, spanning beyond the production management responsibilities

## Profile:

- Technical knowledge in electro technic, electronics, or mechanical engineering (master level studies is desired, despite not obligatory)
- Organized, good communication and problem-solving skills

- Good spoken and written English language skills
- Familiarity with Google Suite business tools (Docs, Sheets, Slides, Analytics, etc.)
- Flexible, “can-do” attitude, with the ability to create & improve processes
- Self-starter, able to work autonomously but within a team structure

Please send your CV and a letter of motivation to [careers@terabee.com](mailto:careers@terabee.com) with the subject line “Production Manager”. We look forward to receiving your application.
