

RECESS MOUNTING KIT

Suitable for all Terabee people counters

EASY AND GOOD LOOKING MOUNTING OPTION FOR SUSPENDED CEILINGS

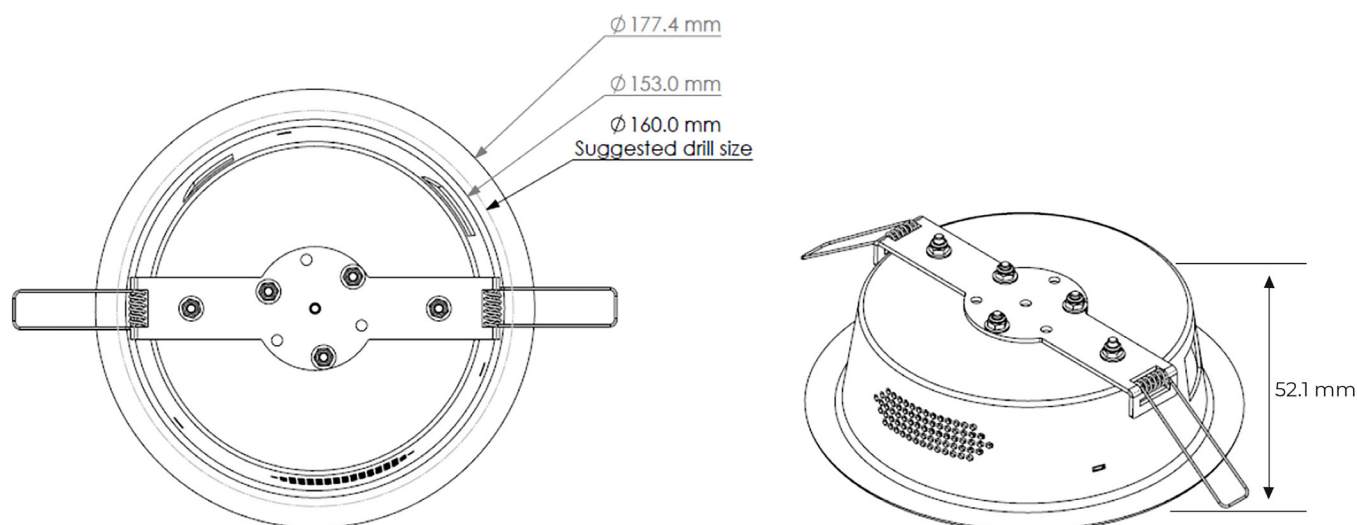

As easy to install as a standard LED light, it just requires a **16cm diameter hole** and is **pushed-in**. This kit ensures the best stylish look to the installation, allowing the People Counter to disappear into the ceiling. Sold in two versions, one for **FLOW** and one for **OCCUPANCY** and **FLOW M**.

KEY PRODUCT FEATURES:

1. Stylish, unobtrusive installation for suspended ceilings
2. Fast & simple to install
3. Color customization available upon request
